

Newton USD 373 Education Endowment

Nurturing Excellence...

Our Mission:

The mission of the Newton NCHF-USD 373 Education Endowment is to provide students and staff of the Newton public schools with academic programs, enrichment activities, and professional opportunities beyond the budget constraints of the Newton district. By accomplishing this mission, we support the curriculum of the Newton public schools and help sustain the community's tradition of excellence.

Our Community:

As a community, we take an active role in our schools and in our children's education. The NCHF-USD 373 Education Endowment offers the opportunity to support educational excellence in our public schools and take responsibility for our children's educational well-being.

Our Commitment to Stewardship:

Endowment funds are carefully managed and invested through a partnership with the Newton Community Healthcare Foundation. An independent committee of community members oversees the endowment and the grant process to ensure that the most deserving projects are funded. We strive to spend endowment dollars wisely in order to maximize the impact on our children. Emphasis is placed on projects that enhance students' technology skills. Last year's grants funded a laptop computer and presentation projection equipment. Access to up-to-date technology offers students the skills and confidence needed to thrive in the high-tech world outside the classroom.

Our Request:

Please help us fulfill our mission by contributing to the NCHF-USD 373 Education Endowment today. Your support is critical to ensuring that Newton public schools continue their tradition of excellence.

Gifts to the USD 373 Education Endowment are fully tax deductible as a charitable contribution.
