TOTAL	24 To Graduate

NHS courses that fulfill Fine Arts graduation requirement:		
Speech (.5 credit)	Drama	Woodworking
Beginning Photojournalism	Technical Theatre	Engineering/Arch CAD
Debate (.5)	Broadcast Journalism	Drafting Technology
Forensics (.5)	Broadcast Production	Web Page Design (.5)
Art Basics	Home Interior	Desktop Publishing
Intro to Theatre	Fashion Strategies	Pre-Vocational Welding
All music courses	Creative Sewing	Machine Technology
Building Trades	All World Language courses: French, German, or Spanish	Welding Technology
<p><i>The NHS staff recognizes that many courses require creativity, artistic expression, and various skills. By offering students a wide selection of courses to choose from, students who may otherwise be forced into vocal music or art courses they may not be interested in may still fulfill graduation requirements in an area that appeals to their individual talents and interests and will not interfere with those students who wish to excel in traditional Fine Arts courses.</i></p>		

Updated for Class of 2009 and subsequent classes
